

BAND CAMP VOLUNTEERS NEEDED!

It is time for VW Band Camp volunteers! For decades the band has had the wonderful experience of traveling to Oglebay Park in Wheeling, WV for the isolated, rustic, family experience of BAND CAMP! Band Camp is a week of learning about marching band and growing together as a band family. The students cannot have this experience without parent volunteers to make the week run smoothly. See below for how you can help provide a terrific week and help us prepare for another GREAT marching band season!

Band Camp 2017 is July 23-28.

We leave at 8:00am on Sun, July 23 and return around 4:00pm Fri, July 28.

NEEDS:

Cooks (Jenni and Eric Profit are the head cooks, but they need 8-10 helpers. You do NOT need “cooking skills”. You do need to be able to follow directions, be comfortable with kitchen tools, and be willing to have fun. The cooks work hard and play hard.)

Counselor/Chaperones (We need 10 female and 6 male counselors to sleep in the cabins with the kids. All grade level parents are needed. Primary responsibility is making sure the kids are safe, happy, and making good choices. Counselors have “free time” while students are in rehearsal, but are “on duty” during other times. Occasional help cleaning up after meals is also requested.)

Nurses (We need 2-3 nurses to tend to minor scrapes, twisted ankles, and the occasional serious injury which may go to a local Urgent Care or ER. In the last 15 years only TWO cases have gone to an ER... both adults... and one of those was Mr. Sloan!! Licensed RN, LPN or similar is preferred.)

Truck Driver/Water Delivery/Misc Errands (We need 2 people willing to do odds-and-ends type jobs. A strong back is necessary for this job... lifting is involved.)

Little Sibs (Little Siblings are welcome as an important part of Band Camp. They ARE given small Mess Hall jobs such as wiping tables, sweeping floors, setting tables, etc.)
